Mr. Jack Taylor, Chairman
Washington State Pollution Committee
Olympia, Washington

Dear Mr. Taylor:

Supplementing our brief conversation during your recent visit to Bremerton, I would like to enter a formal protest against the Western Gas Company of Washington spilling waste oil sludge into Port Washington Narrows at the sight of their plant.

Yours very truly,

E. B. Lent

*Phone conversation with Mr. Taylor with
Mr. Taylor's Gas Co. indicated that the company
and separating device is being & kept maintained.*
